SENATOR GOODRICH: Mr. President and members of the Body. I've or I'm requesting that we hold the bill long enough to put all of the amendments into one consolidated bill so we can see what we've got before we advance it.

PRESIDENT: Senator Carpenter.

SENATOR CARPENTER: Are you instructing the Clerk, Senator, that he do that in your motion?

SENATOR GOODRICH: Yes.

SENATOR CARPENTER: I have no objection.

PRESIDENT: Senator Duis.

SENATOR DUIS: Well, Mr. President, I think that'll be done when the bill comes out in its final reading form. I don't think it's necessary, Senator Goodrich, to do it ahead of time. I'm not trying to interfere with you but I think when the bill is made up then it will be in proper form then we can all read it. I don't think they need to do it in a separate bill.

SENATOR GOODRICH: I want to do this before we advance it off of Select File.

PRESIDENT: That's a special request. Are there objections? Any objections to Senator Goodrich's request that the bill be consolidated and put together before it advances from Select File? Hearing none, so ordered. Wait a minute, Senator Keyes, do you object?

SENATOR KEYES: No, I don't object.

PRESIDENT: Okay, then, hearing none, so ordered. Now, Senator Keyes, for what purpose do you rise?

SENATOR KEYES: Yes, I'd like to ask Senator Carpenter a question about this bill.

PRESIDENT: About what, LB616?

SENATOR KEYES: Yes.

PRESIDENT: The bill isn't under discussion.

SENATOR KEYES: Lieutenant Governor, I asked you that I wanted to ask a question. Now,.....

PRESIDENT: Pardon me.

SENATOR KEYES: If you don't want me to talk, just say the word and I won't.

PRESIDENT: My problem is that we're on Select File and we're discussing these amendments and the Chair doesn't know what's before the Body that you want to discuss.

SENATOR KEYES: Lieutenant Governor, I want you to know that just a few minutes ago, I stood up and I said I wanted to ask Senator Carpenter a question and you said, but it wasn't pertaining to that amendment and you have (inaudible) me. Go ahead.

PRESIDENT: Fine, what amendment then you want to discuss, Senator Keyes, that's my problem?
